## Brian Harman

### Quick Quotes

**Q. Brian, just comment on your final round today and your week as a whole?**

BRIAN HARMAN: Yeah, today -- I'm going to think about today a lot, unfortunately. I'm going to think about how well I did on the front nine. I'm kicking myself for that loose layup shot back there on 15. But after struggling so much the first couple of days, to have a chance in a golf tournament on the back nine on Sunday, that's what you live for. I'm disappointed I couldn't keep it going on the back nine, but happy with the effort I gave.

**Q. (Inaudible.)**

BRIAN HARMAN: It makes it a lot better. So much to be grateful for. But I wanted this one. I wanted it bad and it didn't happen. But maybe next year.
