Si Woo Kim

Quick Quotes

Q. That was tremendous playing. Great play. 65 with a triple bogey. What was working so well for you today?

SI WOO KIM: I had a really good round today and was happy with how I played. On 14 I ended up making a bogey with a penalty, so that ended up being a triple bogey, but I think that made me play more aggressive today, so I'm very happy with the round.

Q. Could you explain the penalty on 14?

SI WOO KIM: I was in the bunker and I was unable to get out of the bunker and it stayed on the fringe and I ended up touching the sand with my hands and I ended getting a penalty stroke for that.

Q. Touching the sand for --

SI WOO KIM: I scrubbed the sand in front of the ball. And I realized after that I got a penalty for touching the sand.

Q. I'm still confused. Were you trying to get -- figure out if you were in the bunker?

SI WOO KIM: I honestly didn't know. I thought I was in the fringe and then I tried to get rid of the sand, but then I realized it was a penalty after.

Q. When was the last time you had a 65 with a triple bogey?

SI WOO KIM: This might be the first time that I've played so well with a triple bogey, but I'm having great feel around the greens and I feel really confident around the greens. I'm looking forward to the weekend.

Q. Have you played here before?

SI WOO KIM: Yes.

Q. 65 here on Friday. How would you describe your day here at Hilton Head?

SI WOO KIM: I felt really good out there today. I played a good round yesterday, so I had some good momentum coming in. And unfortunately I had the penalty on 14 that kind of dropped me back. But that made me play more aggressive and I think that led to a lot of the birdies I had today.

Q. Where is the confidence level heading into the weekend with a chance to win on Tour?

SI WOO KIM: Just being in contention today, I was kind

of surprised to see my name on top of the leaderboard, but it makes me excited to contend on the weekend. And I hope to win this week.
