## Joaquin Niemann

### Quick Quotes

**Q. Joaquin, obviously, the bogey on 17 hurt, but the way you played down the stretch, you've got to be very proud of yourself how you played coming down the stretch here today.**

JOAQUIN NIEMANN: Yeah, I feel really good. I knew that I needed to go really low today. Everybody was playing so good, and the course was very accessible to make some birdies.

Yeah, I played so good the last couple of holes. That ball on 17, I just hit a bad putt from the tee. Then that putt was a tricky putt. It was left to right, and the green was right to left. So I didn't trust much. Just happy with the way I played, and I'm really excited for the next couple of weeks on TOUR.

**Q. This has got to give you a ton of confidence going forward into the next few weeks that you can get yourself into contention, and you can probably pull it off down the stretch, can't you?**

JOAQUIN NIEMANN: Yeah, it's awesome to get those nerves again. I miss them. It was probably like two, three months without playing any golf. So, yeah, it's good to be back here, back in contention, and I just tell myself that I'm good enough, that I can play with the best guys, and just more confidence and confidence every time.
