## Kevin Kisner

### Quick Quotes

**Q. Nice to finish with a birdie. Just talk a little bit about your round.**

KEVIN KISNER: You know, didn't get off to a great start, but then I hit a lot of great shots coming in.

It's just so brutal getting the clubs right, and we just never got it really to close any putts.

**Q. Other players are talking about the heat. What impact did that have on you today?**

KEVIN KISNER: Didn't bother me. I'm fine with it. I love it.
