## Webb Simpson

### Quick Quotes

**Q. Kind of an even day out there. Start with a bogey; come back with birdie at 6. Talk a little bit about the round.**

WEBB SIMPSON: Yeah, I didn't play that bad. I hit so many good putts that didn't go in.

You know, it's just one of those days that's frustrating. Frustrating to end the way I did. You know, I gave myself a chance, and that's what got to try to do every week.

I've got to take away the good stuff from here and move on.

**Q. You came into 18 knowing you needed a shot. Did that affect your approach there?**

WEBB SIMPSON: Yeah, I knew -- I wasn't trying to hit it right at it. I was trying to go a little right of it, but it came off a little left. I actually thought it was perfect. Paul and I both thought it was long, but it came up just short and hit a really good bunker shot and missed it.

**Q. What do you take from this tournament moving ahead?**

WEBB SIMPSON: Game is in good shape. I need to tighten up a couple things with ball striking, but overall I'm pleased.
