## Emiliano Grillo

### Quick Quotes

**Q. Comments about your round today and how it went out there.**

EMILIANO GRILLO: It got get very tough on hole 15. The winds just completely switched and we had to adapt to a whole new golf course in there.

18 was playing very hard. I was able to get away with a 5 there. Very unlucky bogey on the 1st hole, and then I was just able to play solid golf again from there on.

**Q. What happened on 18? Someone pick up your ball from the hazard?**

EMILIANO GRILLO: No. It went in the hazard and then, you know, that (indiscernible) it's a little bit on the downslope and it's all concrete, so the ball was rolling. It got all the way back, so it went back 250 yards. I was able to drop (indiscernible).

**Q. What's it like on that roll of bogey, birdie, bogey, birdie?**

EMILIANO GRILLO: Like I said, it was playing very hard. I was able to make some birdies in there. It was very good. I got very unlucky on the 1st and hole No. 3 there. It was a good bogey on 3 I guess.

And then like I say, I was able to play solid after that. I missed a good opportunity there on the stretch, on the last six holes.

**Q. You're leading in putting. Anything you feel like is going well with your putting? Did you change anything?**

EMILIANO GRILLO: No. It's been like that for the last six months. Made some changes six months ago and it really worked, and I been putting very well since then.

This is another week of those where the greens out here are perfect. Just a little bit bumpy from the afternoon to today. Tomorrow with less players it's going to be perfect again.

**Q. New putter? New coach?**

EMILIANO GRILLO: No. Started working with a new coach in general back in September, and he advised me to shoot like left-hand lower.

You know, back then Jordan Spieth was the best putter in the world and he putted left hand lower, so why not?

**Q. What's been the key to your overall consistency week in and week out?**

EMILIANO GRILLO: Just good practice. Just good practice and do what I know to do, what I know -- I know how to play golf. It was just that. Just confidence and making some putts. I been making some putts for the last six months and that's been key.

**Q. Tied for third in Houston. Anything particularly about Texas that you enjoy playing?**

EMILIANO GRILLO: I don't know. This is completely different to Houston. Completely different golf course. More tree lined, more grainy, and over there it's more open.

I don't know. Maybe I can do one better in Texas or two better in Texas.
