## Kyle Reifers

### Quick Quotes

**Q. Great day.**

KYLE REIFERS: No, I played really well. It was a long day, but a good day. So, trying to get some rest, get some fluids tonight and come out tomorrow hopefully probably have a late tee time so I can get a little sleep tonight and I'll be ready to go tomorrow.

**Q. Seemed like looking at the leaderboards everybody was going low today.**

KYLE REIFERS: Yeah, the conditions were out there, the greens are still pretty receptive, the course is in great shape, so I expect pretty good scores.

**Q. Do you think you left some out there somewhere?**

KYLE REIFERS: Oh, yeah, I definitely did. But I also hit some really nice shots and made some nice birdies. So all in all I'm not really looking back I'm going to try and look forward to tomorrow.
