### Martin Piller

#### Quick Quotes

**Q. (No microphone.)**

MARTIN PILLER: Yeah, I played all right. I played pretty good. I just wanted to kind of get something in under par and just kind of keep hanging and see where that felt. But it was fun. That was probably, it was a lot of hoopla out there today so it was fun to get in under par.

**Q. It was fun to follow you guys. But talk about tomorrow now. Because you are definitely in shape with a low number to win this thing.**

MARTIN PILLER: Yeah, I mean, certainly like Jordan bogeying there on 18 and me birdieing, that helps, because I was kind of losing ground there towards the end of the back nine. He was making birdies and I was made a couple, but he birdied 16 and I bogeyed, so that hurt.

Then, but, yeah, so I didn't want to -- two is fine, I didn't want to be three or four -- you don't really want to be anything chasing Jordan, as good as he is. But two is a lot better than four, for sure.

**Q. It's fun to follow you a lot of support, go get 'em tomorrow.**

MARTIN PILLER: Thank you.

**Q. Did you have to come back out and finish your second round today?**

MARTIN PILLER: Yeah.

**Q. So that makes a long, long day.**

MARTIN PILLER: I played 12 holes this morning. I'm exhausted. I'm glad today's over. I'm not going to practice, I'm done. It was a long day. We were the last off yesterday and we teed off at like almost 7. So we played like, I think we played six holes and that was it and so, yeah, I had to come out this morning and finish up. So, it's, it was along day.

**Q. So your plans are eat dinner and sleep in?**

MARTIN PILLER: Sleep in. I'm putting my feet up and watch some NBA tonight and, yeah, I'm putting my feet up for now.
