## Boo Weekley

### Quick Quotes

**TRAVELERS**  
CHAMPIONSHIP

**Q. Eagle on the 10th hole to put together a 68.**

**Walk us through what you saw on that hole?**

BOO WEEKLEY: Well, we struggled a little bit with the driver. But we finally got one in play down there. I think we had 168 or 167, something like that. We knew the wind was kind of down behind us, so we tried to punch an 8-iron in there and it just landed perfect and rolled right up to it, and disappeared.

**Q. You told me when the week started that you would be talking to me, which is usually a good thing. What's come together this week?**

BOO WEEKLEY: I got little things off my chest and all at home. I've got some things that kind of worked out to my favor, I'm hoping that I can carry this mojo with me.

**Q. Let's talk about this round. Don't see a whole lot happening except for a nice eagle there on No. 10?**

BOO WEEKLEY: Yeah, I had a good eagle on 10. Front side was kind of sluggish. I was struggling with the driver off the tee. Didn't really hit it close because I was playing defense the whole time. Then finally on 18 or No. 10 I finally got good yardage, a good number just executed a good shot, and thank goodness it went in. Got me started on the back side.

**Q. Got to play some offense, 16, 17, and 18 to birdie at 16. Really good putt on 17. Just needed a little more, didn't it?**

BOO WEEKLEY: Little more gas, that's all it needed, yes, sir.

**Q. Talk about the putt on 18. Did you go to school a little bit on Wilkinson's putt?**

BOO WEEKLEY: Yeah, we did. I was playing, actually, about a cup less than what I first saw until I saw where his kept on going. We thought it would flatten out there on the bottom, so we went ahead and aimed a little higher. Fortunately it went in.
