## Danny Lee

### Quick Quotes

**TRAVELERS**  
CHAMPIONSHIP

**Q. Consecutive birdies, 7, 8 and 9, what did that do for your game and the whole round?**

DANNY LEE: Nothing, really. I was just playing golf out there. I didn't know what was leading and what I was at, so I just kept playing golf and I had a pretty good result, I guess.

**Q. What did you feel was the strongest part of this week that you can carry forward?**

DANNY LEE: Definitely my iron shots and my putting.

**Q. Describe your outing today?**

DANNY LEE: Well, a little bit of disappointment at the end, but I think I did pretty good all through the week. Course conditions were a little bit tougher today. I was playing a little bit firmer. It was a little bit tougher for me to go for the front pins. Other than that, it was great.

**Q. You finished at 10-under, so pretty good day. I know there were a couple. There was one birdie putt that kind of lipped out on you when you were kind of I've got a shot. So there were ones, I guess, you left out there?**

DANNY LEE: Yeah, 17 and 18 was a bit of a disappointment. But I gave it a try. It was a tough putt. It was breaking at least a foot to the right for both of them, and the percentage of making those putts were very low, I think.

**Q. At this point you're at 10. However, Jordan's dropped back to 11. There are two guys at 11. You might have to stick around for later.**

DANNY LEE: I might, I might.
