Abraham Ancer

Quick Quotes

TRAVELERS
CHAMPIONSHIP

Q. Just some thoughts on your round today. 64, 6-under. I think that's the lowest score you've had here.

ABRAHAM ANCER: Yeah, felt really well out there all day. First nine holes it was a little tough with the weather we got there. Some pretty good showers couple times, maybe three times. Just had to stay patient.

After that I kept hitting the ball well and saw some putts go in, which was nice.

Q. You've had some decent success at this course. Shot a couple low scores. You're becoming more familiar with it. What do you like about it so much?

ABRAHAM ANCER: Yeah, I think you use every club in the bag out here. It's not a super long golf course, but it's pretty penal if you don't hit the right shots.

It's playing a little bit different. I haven't played it this soft. It's playing a little bit longer. It's a great test. I think it's a great golf course. Showcases if you're playing well.

Q. Was there a shot or a putt that got you going on your back nine, which is the front?

ABRAHAM ANCER: Let's see. I made birdie on 2. I hit it close; 2 was nice. Then I saw one go in on hole 3 that was a little dicey little break there. After that I felt really good with my putting.

Then I rolled a nice one, pretty long one, on the par 3 after that. But, yeah, feel like I rolled it good all day. Some didn't go in, but I stayed patient and I told myself that they were going to start falling in.

Q. You birdied the final hole today. Is that good for mentality heading into tomorrow?

ABRAHAM ANCER: Yeah, I mean, I just want to keep this momentum going.
