## Patrick Rodgers

### Quick Quotes

**TRAVELERS**  
CHAMPIONSHIP

**Q. Talk about what was going right for you out there?**

PATRICK RODGERS: Yeah, thanks. It's nice to get a good round in there, especially this afternoon, and the greens got a little bumpy as they always do in the afternoon at a TOUR event, so it was nice to see some putts go in. Great position for the weekend. It's a bunched leaderboard, so I know I've got to play some really good golf this weekend, so just keep plugging away.

**Q. The wind kind of picked up in the afternoon. How did you adjust for that?**

PATRICK RODGERS: Yeah, a little unexpected. I thought it was supposed to be about the same both days, but it really picked up there on my back nine, so I just tried to stay really present and hit it as quality shots as I could and I was able to string a couple birdies through that tough stretch, which was key for my round for sure.

**Q. You're going into the weekend one off the lead, what's the plan?**

PATRICK RODGERS: Yeah, like I said, just keep plugging away. There's a lot of guys that have a chance. It's a really bunched leaderboard. The difference between the cut and the lead isn't very much. Anyone this weekend really has a chance, so I need to make a lot of birdies and stay aggressive.

**Q. What was going right for you today?**

PATRICK RODGERS: Yeah, it was nice to string some birdies there along the back nine when the conditions got tough. The wind started to pick up, and I was playing some holes that were back into the breeze and was able to see a few putts slip in there, and nice to finish strong with birdies on 16 and 18 for sure.

**Q. In particular what went well for you as far as your game day? Was it a group of clubs?**

PATRICK RODGERS: Good balance today probably was the key to my round and my week so far. I don't feel like any area really stands out, but I'm just playing really smart, staying very present, trying to control the things that I can out there. I know it all sounds cliché, but that's kind of the secrets to playing well out here. I feel like I've just done a good job of that, and nothing has been all that special, but it's nice to see my name up there towards the top.
