CHAMPIONSHIP

Q. You leaned on that putter for some big ones today.

KEEGAN BRADLEY: I did. That was fun. It was a grind coming in. Sometimes that makes it even better.

kind of surprising. Anything can happen out here.

That's exciting.

Q. How big are some of those? We saw the emotion out of you. The par saver at 15 and then 18 too. Such a hard hole. Make sure you don't make anything worse than a five there was huge.

KEEGAN BRADLEY: Yeah, you can make up a lot of ground here, but there are also doubles around every corner on the back. I wasn't paying too much attention to the board today only because it was Saturday. A lot can happen on this course for sure.

Q. So you couldn't feel the swings that were out there? Blocking it out?

KEEGAN BRADLEY: I saw that he was at 15-under at some point, and then I caught a peek at the board and I saw the leader was at 12 and I was at 11. That was
