Jason Day

Quick Quotes

TRAVELERS
CHAMPIONSHIP

Q. Jason, just some thoughts on the week overall.

JASON DAY: Good. Had a lot of fun. The fans were fantastic here. Travelers does a phenomenal job with this tournament. Glad we had some nice sun on the weekend. Seemed like it was going to be a very tight finish for the crowd, but obviously unfortunately Keegan (indiscernible) on 17 and Chez birdieing 17. So walking down the last hole with a 4-shot lead.

But I think overall everything is in a positive spot right now.

Q. Next few weeks going forward, what's the plan?

JASON DAY: Just get back and practice. I need to improve the putting. Even though I hit a lot of good, quality putts, just not quite happy with it.

I hit 88% of greens this week.

Q. Pretty strong.

JASON DAY: Which is very strong. Shot 1-under today and hit 17 greens. The only mistake I made was on the par-3 and I miss hit it and pulled up short in the water.

There are a lot of positives coming from this week and I feel really good about my game. Very, very motivated to go back and practice this coming week and get ready for the 3M.

Q. Talk about this.

JASON DAY: Yeah, the clubhouse last year was a little bit smaller than what it is right now. This is a fantastic addition that they've made this year. Just seems like the tournament is getting better and better each and every year. We had a great field this year. The fans are out here again, and obviously brand new clubhouse is spectacular.

Q. Will you be back again?

JASON DAY: I don't know. We'll see. That's a long ways away.

Q. A year is a long way?

JASON DAY: I enjoy coming back here every time I play.
